

Job Offer

Post-doc on Sustainability

For TECNIO SPRING PROGRAMME (ACCIÓ) –**OUTGOING + RETURN/INCOMING**

Job description:

The Sustainable Unit from Fundació CTM Centre Tecnològic-Eurecat (www.ctm.com.es), Spain, is looking for experienced researchers to apply for individual fellowships to the TECNIO SPRING programme.

Summary of Tecniospring scheme can be found in the attached pdf or in:

<http://catalonia.com/innovate-in-catalonia/tecniospringplus/tecniospringcall.jsp>

Briefly, in Outgoing scheme, mobility outside Spain for experienced researchers of any nationality willing to join a research or technology centre or R&D department of a private company for one year. Followed by a return phase of one more year to CTM. In Incoming scheme, experience researcher will join directly CTM for two years.

Applications are accepted until 6th of September

Tasks:

The candidate will work on the recovery of Critical Raw Materials from secondary resources through the Tecniospring grant scheme. He/she will manage research projects with relevant stakeholders, as well as promote and apply for new R&D project.

Required skills:

- PhD on Chemical engineering, chemistry or related subjects
- Have experience in applied research and/or technology transfer activities.
- Researchers may be of any nationality.
- Researchers must not have resided or carried out their main activity (work, studies) in the country of their host organization for more than 12 months in the 3 years immediately prior to the deadline for the submission of applications.
- Fluent in English. Spanish and Catalan will be also considered.

It Offers:

- Temporary Contract (2 years, starting in 2019) subjected to the approval within the Tecniospring Programme - *Outgoing+Return or Incoming* (ACCIÓ)

Those interested in the offer can send their CV and cover letter to rrhh@ctm.com.es
