BOOSTING INNOVATION IN EUROPE'S RAW MATERIALS SECTOR

WWW.PROMETIA.EU

CONTACT@PROMETIA.EU

BUILD STRONG PARTNERSHIPS

- **Help set up projects** ranging from basic research to pre-industrial development
- **Propose partners** to match needs
- **Facilitate interactions** between industry and researchers by coordinating R&D needs

PROVIDE ACCESS TO PILOTING FACILITIES

- **Take ideas further and make them grow on the TRL scale** through the Association's top-notch piloting facilities

DRIVE OPEN INNOVATION

- **Allow industry to solve their challenges quickly** by addressing their issues to their association's members

HELP ACCESS EU FUNDS

- **Support applications for EU H2020 funds** through guidance, writing and submission of project proposals

SUPPORT INTERESTS

- **Represent members' interests** at EU level and in organisations that support R&D activities in mineral processing and extractive metallurgy

PUSH EDUCATION AND KNOWLEDGE FORWARD

- **Organise** schools, tours and workshops
- **Sponsorise** events and provide experts on-demand
